'POCKET' L.E.D LIGHT

P/No 71300

IS204

Issue 4 25.10.19

Instructions & Specifications

CHARGING INSTRUCTIONS

- Plug USB-A end of supplied charge cable into a wall adapter USB socket or computer USB port that supports charging.
- Plug USB-C end of charge cable into 'Pocket Light' - the indicator light on the charger should be red and only turn green when the 'Pocket Light' is fully charged.
- Charge the light for 4-5 hours before first use.
- Normal charge time should be up to 3 hours—green light indicates full state of charge.

NOTE

The lamp utilises Lithium-ion batteries that have "no memory effect and longer shelf life." They can be re-charged at any time (no discharging required).
