DESCRIPTION

The Tremor 3 LED is the perfect compact work lamp for secondary lighting needs. Small, tough, highly efficient and with Anti-Glare Technology, these lamps ensure maximum light is directed where it's needed most, without dazzling or distracting other drivers.

FEATURES AND BENEFITS

- High luminous efficacy enables replacement of any mining light without re-wiring.
- Forward Rake increases light performance and vibration resistance by extending the lamp forward while keeping the trunnion fully supported.
- Rugged construction with Grilamid® lens and urethane dampener for vibration resistance.
- Above-ground electrical design prevents corrosion and stray currents.
- Ideal for haul trucks as a low beam lamp.
