DESCRIPTION

High-performance 9" LED driving lights with dual-colour front position lights (amber/white) in a sleek blackout design, suitable for both 12V and 24V systems.

FEATURES AND BENEFITS

- Dual-colour amber/white position lights for increased vehicle visibility. ADR-approved for on-road use when white is selected, and significantly brighter than EX2R position lights.
- Smoked lens protector for a blacked out appearance, providing a signature look for any car.
- Hybrid beam provides outstanding width and distance, ensuring exceptional clarity in the dark. 1 lux is available at 700m.
- Patent pending internal switching eliminates the need for a harness, making it the easiest to wire on the market, with no components needing to be routed through the firewall.

Effective Lumens (per lamp)	9700lm
Beam Distance (Pair)	700m @ 1lux
Beam Width (Pair)	60m @ 1lux
Colour Temperature	5700K $\pm 5\%$
Colour Rendering Index (CRI)	70
Height	225
Depth	102
Width	221
Weight	2620g $\pm 10\%$
